

LIFT WITH EASE

Efficient and ergonomic
material handling

Item No.: 2488

Gripper for beer crates 2488

Gripping technique	Vacuum
Maximum capacity (kg)	15
Type of lifting object	Beer crate, Beer can
Industry	Beverage industry
Optional control	Balancing

This Vacuum gripper designed for smooth and ergonomic handling of shrink-wrapped beer cans stacked on pallets. Twelve powerful vacuum cups create a firm and stable grip safe lifting without damaging the packaging.

The vacuum gripper can handle loads of up to 15 kg and is ideal for use in breweries, warehouses, production, and logistics where repetitive lifting occurs. The design is adapted for fast and reliable handling of entire pallets, which increases efficiency and reduces the strain on the operator.
